

# CITY OF HAYWARD

## AGENDA REPORT

AGENDA DATE 11/13/01

AGENDA ITEM 3

WORK SESSION ITEM       

**TO:** Mayor and City Council

**FROM:** Director of Public Works

**SUBJECT:** Clawiter Road Corridor Improvements: Award of Contract

### RECOMMENDATION:

It is recommended that the City Council approve the attached resolutions that:

1. Awards the contract, including Additive Item C1, in the amount of \$965,788 to Mike Brown Electric Company of Cotati; and
2. Authorizes the City Manager to execute the Master Traffic Signal Maintenance agreement between the City and Alameda County.

### BACKGROUND:

The project installs three new traffic signals along Clawiter Road at the intersections of National Avenue, American Avenue, and West Street, and interconnects these new traffic signals with the existing traffic signals between West Winton Avenue and Enterprise Avenue. These traffic signals and interconnect will improve traffic flow through the Clawiter Corridor. Sidewalks are being provided along most of Clawiter Road, where none exist (see Exhibit A). Construction of these sidewalks will improve pedestrian access, safety, and circulation. In addition, fiber optic will be installed from Hesperian Boulevard westerly along West Winton Avenue and then southerly along Clawiter Road to Enterprise Avenue. This will allow future extension to the Waste Water Treatment Plant and connection to Fire Station No. 6.

On September 11, 2001, the City Council approved plans and specifications for the subject project and called for bids to be received on October 9, 2001. Three bids were received. Mike Brown Electric Company submitted the low bid in the amount of \$941,013.50, which is 7 percent above the Engineer's Estimate of \$879,911.00. St. Francis Electric submitted the second low bid in the amount of \$1,072,071.39, which is 18 percent above the Engineer's Estimate and \$131,057.89 more than the low bid. Tennyson Electric, Inc., submitted the third low bid in the amount of \$1,334,433.00, which is 34 percent above the Engineer's Estimate and \$393,419.50 more than the low bid.

The Engineer's Estimate, in the amount of \$879,911.00, is based on the project's total Base Bid amount and is the basis of award to the low-bidder. Because of the uncertainty in the bidding climate, staff incorporated three Additive Bid items for construction of additional sidewalk segments. Staff has determined that additional sidewalk segment 'C1,' in the amount of \$24,774.50, can be included as part of the project, based on the available federal funding (see Exhibit A). Thus, the recommended Construction Contract project cost of \$965,788.00 is the sum of the low bid amount of \$941,013.50 and the additive bid item, Sidewalk Segment 'C1,' amount of \$24,774.50.

Since this project includes three new signals that will be shared jointly between the City of Hayward and Alameda County, it is necessary to develop a maintenance agreement for these signals. At this time, it is also appropriate to develop a master signal maintenance agreement, with the County, to cover all of the jointly owned signals throughout the City. This agreement, which is available for review at the City Clerk's office, covers five existing jointly owned signals, as well as the three future signals identified above. Staff recommends that Council authorize the City Manager to execute the agreement for the traffic signal maintenance.

Staff has established a goal of 10 percent for Disadvantaged Business Enterprise (DBE) participation for this federally funded project. The Mike Brown Electric bid includes 10.5 percent participation.

#### **PROJECT COST:**

The estimated costs for the project are as follows:

Design and Administration	\$ 181,000
Construction Contract	965,788
Construction Inspection & Survey	<u>64,212</u>
TOTAL	\$ 1,211,000

#### **FUNDING:**

The 2001-02 Capital Improvement Program includes \$1,211,000 in the Street System Improvements Fund. The City will be reimbursed 100 percent of the project costs from State Congestion Mitigation and Air Quality (CMAQ) and Federal Surface Transportation Program (STP) funds.

#### **SCHEDULE:**

The following schedule has been developed for this project:

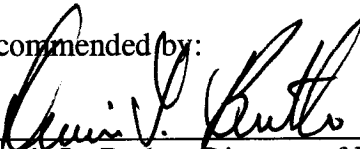

Award	November 13, 2001
Begin Construction	February 19, 2002
End Construction	July 26, 2002

The delay between the project award and the construction is because of the anticipated waiting period between ordering and delivering of the traffic signal equipment.

Prepared by:

  
Robert A. Bauman, Deputy Director of Public Works

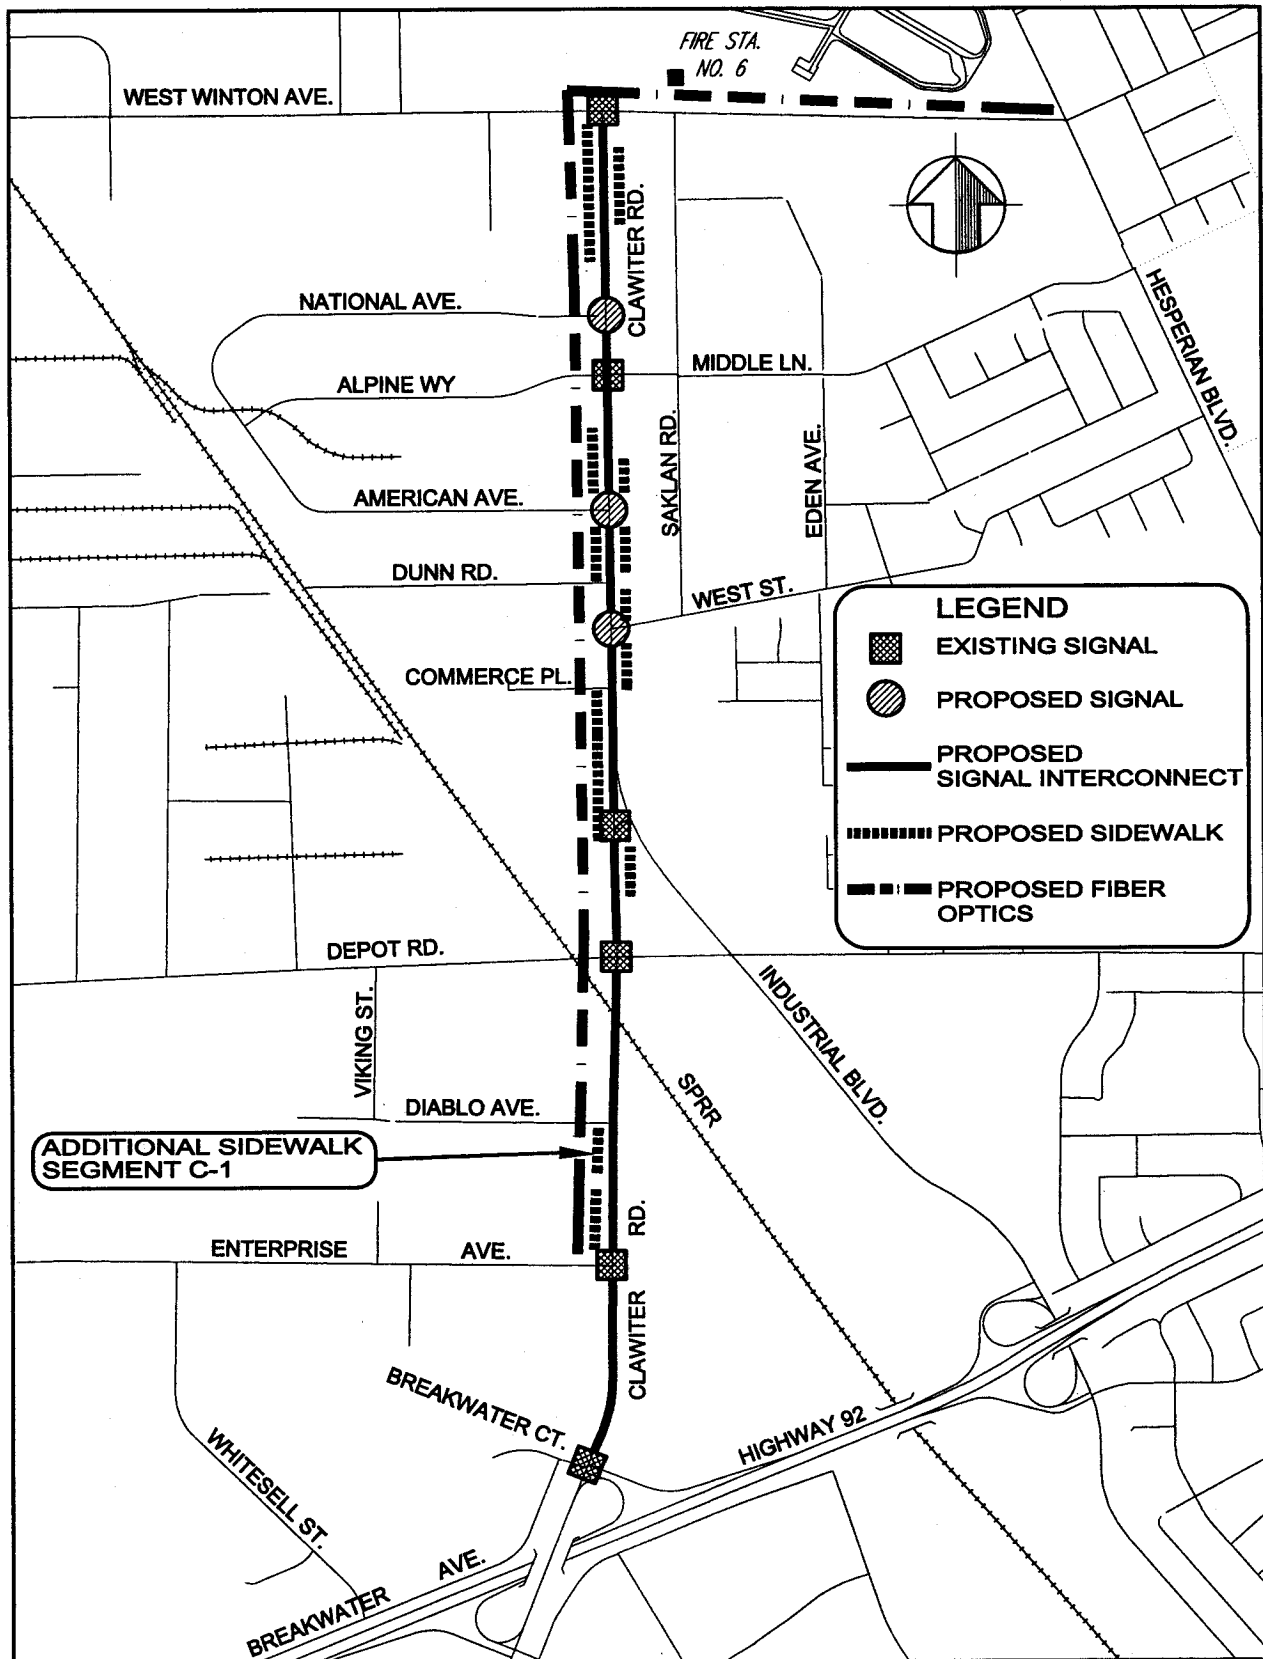

Recommended by:

  
Dennis L. Butler, Director of Public Works

Approved by:

  
Jesús Armas, City Manager

# DRAFT

HAYWARD CITY COUNCIL

RESOLUTION NO. \_\_\_\_\_

Introduced by Council Member \_\_\_\_\_

**RESOLUTION APPROVING ADDITIVE ITEM C1 FOR THE  
CLAWITER ROAD CORRIDOR IMPROVEMENTS PROJECT,  
PROJECT NO. 5196, AND AWARD CONTRACT TO MIKE  
BROWN ELECTRIC COMPANY**

WHEREAS, Additive Item C1 was included for construction of additional sidewalk segments to be included in the project in an amount not to exceed \$24,774.50; and

WHEREAS, on September 11, 2001, the City Council approved the plans and specifications for the Clawiter Road Corridor Improvements Project, Project No. 5196, and called for bids to be received on October 9, 2001; and

WHEREAS, on October 9, 2001, Mike Brown Electric Company of Cotati submitted the low bid in the amount of \$941,013.50, which is 7 percent above the Engineer's Estimate of \$879,911.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Hayward that Additive Item C1 for additional sidewalk segments in the amount of \$24,774.50 is hereby approved and adopted as part of the plans and specifications for the project.

BE IT FURTHER RESOLVED that Mike Brown Electric Company of Cotati is hereby awarded the contract for the Clawiter Road Corridor Improvement Project, Project No. 5196, in accordance with the plans and specifications adopted therefor and on file in the office of the City Clerk of the City of Hayward at and for \$965,788.00, the price named and stated in the bid of the hereinabove specified bidder, and all other bids are hereby rejected.

BE IT FURTHER RESOLVED that the City Manager is hereby authorized and directed to execute an agreement with Mike Brown Electric Company for the award of the contract on behalf of the City of Hayward, in an amount not to exceed \$965,788 for the Clawiter Road Corridor Improvements Project, Project No. 5196, in a form to be approved by the City Attorney.

HAYWARD CITY COUNCIL

RESOLUTION NO. \_\_\_\_\_

Introduced by Council Member \_\_\_\_\_

RESOLUTION AUTHORIZING THE CITY MANAGER  
TO NEGOTIATE AND EXECUTE A MASTER SIGNAL  
MAINTENANCE AGREEMENT BETWEEN THE CITY  
OF HAYWARD AND ALAMEDA COUNTY

BE IT RESOLVED by the City Council of the City of Hayward that the City Manager is hereby authorized and directed to negotiate and execute on behalf of the City of Hayward a Master Signal Maintenance Agreement with Alameda County, to cover all of the jointly owned signals throughout the City, on file in the office of the City Clerk, in a form to be approved by the City Attorney.
